

## LASER PRECUT QUILT KITS

There comes a time when you just want to sit down and sew without having to cut out your project. With that being said, we are excited to introduce our new line of "Laser Precut Quilt Kits". You will find these kits to be very rewarding and gratifying and really easy to do since we have precut the material for you. All of these kits have been designed using quality fabrics from such well known manufacturers such as Kaufman, Moda and Kaffe fassett. Each kit will contain all the needed precut pieces, borders, and detailed easy to read and understand instructions.
